WELCOME FROM THE DIRECTOR

The Flywheel Investment Conference is an annual event that brings entrepreneurs, investors, and professionals together to cultivate momentum for growing companies. Starting as a pilot event in 2017, the Flywheel Conference has quickly grown into a premier event for Washington State.

As the flagship event of NCW Tech Alliance, a 501(c)3 serving six counties in North Central Washington, the conference is a celebration of innovation and a catalyst for economic development. The highlight of this program is our investment competition where finalists compete for live investment awards. We had 82 companies apply this year, and we can't wait to introduce you to all of our founders in attendance.

One of the most valuable aspects of this conference is the opportunity to make connections. Introduce yourself to someone new, exchange ideas, and build relationships - at Flywheel you never know who you'll meet!

We are excited to offer conference attendees a wide range of activities this week. If you need assistance or directions at any time, please look for our volunteers identified with pink name tags.

I would like to extend my deepest gratitude to the many sponsors, volunteers, speakers, and investors who have made the Flywheel Conference possible. We invite you to join our non-profit organization as a member, sponsor, or volunteer, and help fuel future programs. Thank you again for joining us!

Sincerely,

Jenny Rojanasthien
Executive Director, NCW Tech Alliance

WEBSITE sheflyapparel.com

SheFly is an outdoor apparel company on a mission to make the outdoors better for all people through innovative clothing design. Our award-winning pants and leggings feature our patented zipper technology, which empowers everyone to answer nature's call and relieve themselves outside without removing any clothing. We design durable, innovative, and functional clothing so that everyone can explore as they are. Our products have won two Outdoor Retailer Innovation Awards, our Go There Pants were named Best 2023 Hiking Pant by Women's Health Magazine and a Top 10 Gift 2022 by USA Today, and our products are for sale nationwide in Moosejaw Mountaineering stores.

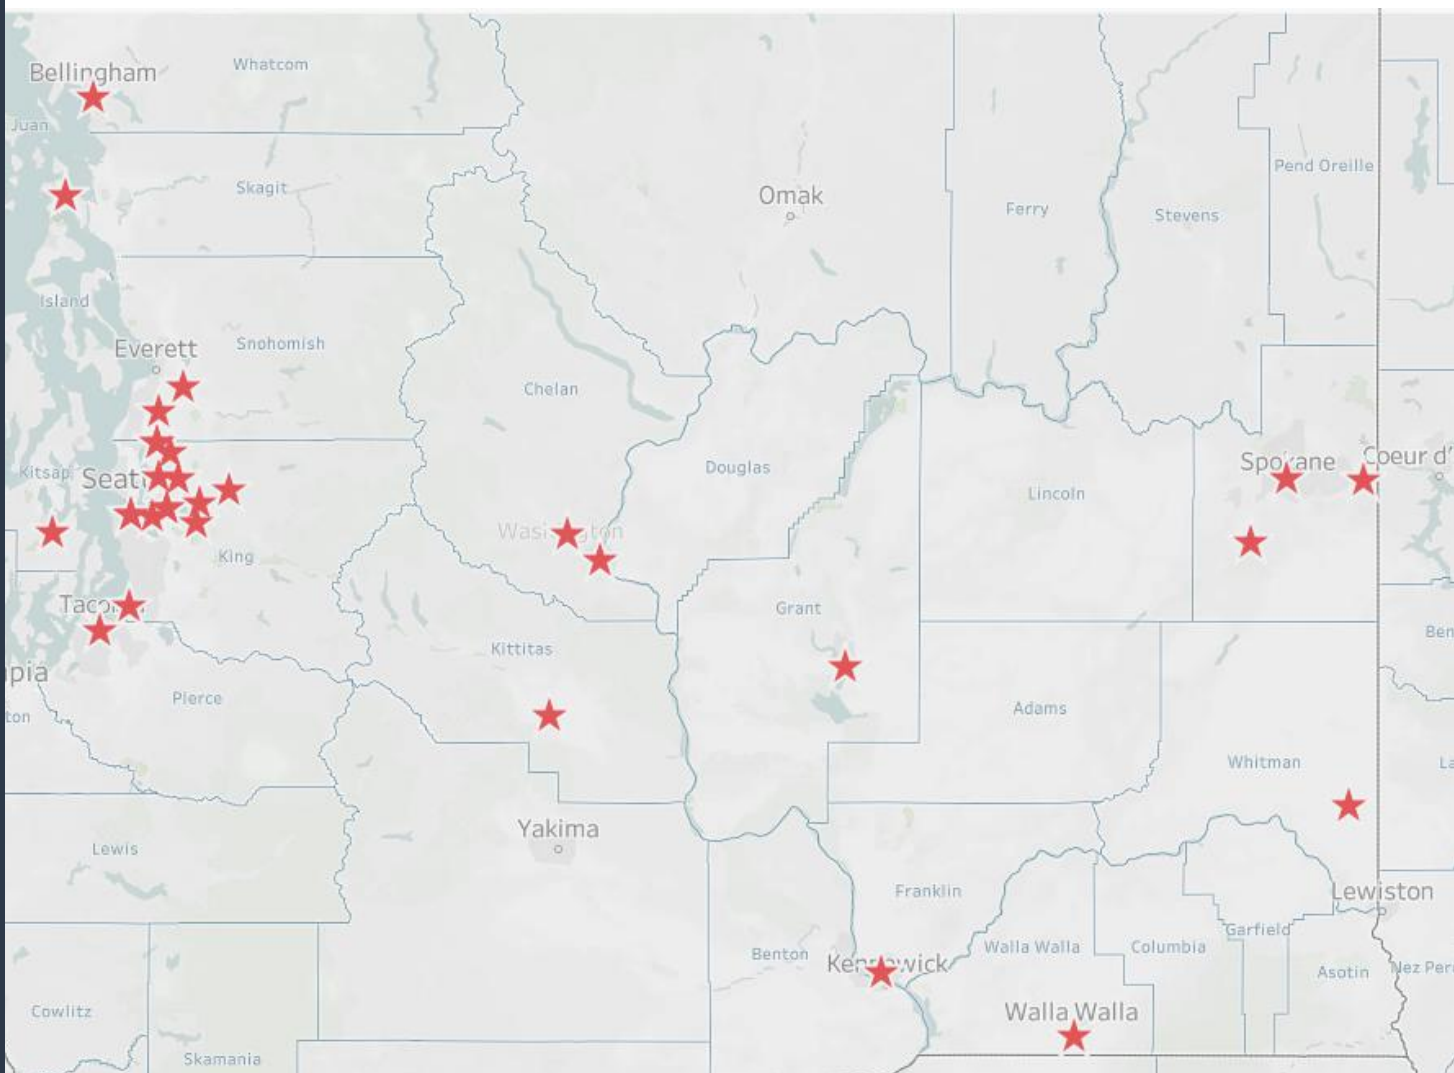

COMPETITION: TOP SIX

ABOUT THE COMPETITION

Every year a new LLC is formed by the Flywheel Angel Network to invest in the winner of the conference. Past investment award winners include: Cartogram (2018), Beta Hatch (2019), AgTools (2020), SyncFloor (2021), Iasis Molecular Sciences (2021), Brainspace (2022) and ZILA Works (2022). The Flywheel Angel Network is a group of angel investors who are passionate about supporting economic development in North Central Washington. The 2023 Conference Fund is managed by Glenn and Cheryl Adams.

The Flywheel Angel Network received a record number of applications for the 2023 Flywheel Investment Competition. Applications were open for a seven-week period to Washington-based companies. A total of 82 applications were submitted and the Flywheel Angel Network had the challenging job of narrowing down the pool to the six finalists competing this week. Many of the companies who applied are in attendance this week. The Flywheel Angel Network encourages you to learn more about each of the companies and support their journey ahead.
